

Storage Pods

A storage pod is a unit brought in to store belongings while a renovation is in progress, or when a resident is moving in or out.

A resident may place one storage pod is for up to one month, if these conditions are met:

- A request must be sent to the Mutual 10 Board in advance of placement using the form below.
- The Board must approve the request prior to pod placement.
- The pod must not block the roadway.
- The Board must be notified when the pod has been removed.

If you would like to place a pod for up to one month, please fill out the form below and submit it to a Board member or to the Mutual Assistant. Their contact information is in *The Kelmscot Village Tidings* each month.
